The Institute for Anambra Development

Dear John,

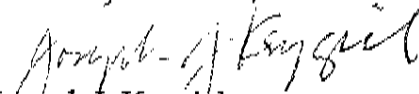

Please accept my sincere gratitude for your generous gift of \$1,000.00 in response to the needs of the Haitian people. Donors play a critical and increasingly important role in funding the programs and services managed by Catholic Charities Atlanta. Your organization's generous gift will be used to assist displaced Haitian families here in Atlanta. The Institute for Anambra Development Inc. will be recognized as a member of the St. Agatha Society in the Catholic Charities Atlanta annual report.

Thanks to the support of modern-day Good Samaritans, like you, thousands of vulnerable children and struggling families throughout North Georgia will receive the help they need and will find the hope they deserve.

Last year alone, we answered 35,720 calls for assistance. More than 7,500 individuals took part in our professionally accredited programs and services and became one step closer to self-sufficiency. Over the last year we have seen the requests for our services more than double. In the current economic climate, more families than ever will desperately need these basic, but life changing services that you have helped make possible!

Thank you for your faithfulness and continued support. I invite you to visit us online at www.catholiccharitiesatlanta.org periodically for more information about our work, upcoming events and the amazing stories of those we serve. May God bless you and your family!

Sincerely in Christ,

Joseph J. Krygiel
Chief Executive Officer
